UPGRADES TO THE COMMUNITY CENTRE!

We had a busy winter at our centre, and now have a new, detached garage. Our outdoor rink was asphalted in the late fall, and our community thoroughly enjoyed the ice this winter.

Inside, we now have cross-court basketball hoops plus a dividing curtain in the gym, to allow for programming flexibility. The gym has also been enhanced with acoustic panelling and a new sports floor to ease the pressure on all our athletes' joints! A public address system has been installed, which will allow us to 'pipe' music into events in the gym, MPR or hallway.

We'll continue to post updates on our web page and Facebook page, so stay tuned!

RECENT EVENT

The “Bizy” Mama’s Event took place on April 1st, and was a huge success as over 500 people came out to shop locally and support families in our community. The vendors were a group of moms and dads who own their own businesses / work direct sales to help support their families. Vendors like Norwex, Epicure, Discovery Toys, handmade bath products from Chrissy & Zu, hand sewn children’s items and more were in attendance. There were free children’s activities like Face Painting from Heathers Pretty Parties, a play dough and coloring table, and Fresh to the Bone Catering was there selling delicious pulled pork on a bun and giving away fresh popcorn with the proceeds going to United Way! There was a massive prize draw with donations from local businesses and vendors! They can’t wait to do it all again and bring this amazing and fun event back to you in November of this year for a special Christmas event! And, watch out next year for a Bizy Mama’s Farmers Market!
